

**INFORMED CONSENT FOR VALLARTA GAY COMMUNITY CENTER TO SHARE MEMBERSHIP INFORMATION.**

This authorization and informed consent is issued so that Vallarta Gay + CC can share its name with Hospital Vallarta Medical Center and the personalized credential is developed.

I \_\_\_\_\_, authorize Vallarta Gay + Centro Comunitario A.C., to share **my name** with the Hospital with which a collaboration agreement was made, and to certify through this act, that I belong and am affiliated to the Association in question, for which I voluntarily access the benefits acquired and in accordance with the guidelines that are indicated to me in order to obtain these.

Among the benefits that you can access (Hospital and/or First Contact Clinic in Zona Romantica), through the Vallarta Gay + CC card, are the following:

1. Emergency consultation at a preferential cost of \$400.00.
2. 20% discount on imaging and laboratory studies, requested directly with the Commercial and Public Relations Department of Hospital Vallarta Medical Center.
3. 30% discount on imaging and laboratory studies in emergency medical services.
4. Preferential cost in emergency procedures.
5. Preferential cost in the use of materials and medications used in emergency procedures.
6. If, in the face of the need to require specialized medical care, the patient requires some type of surgery and hospitalization, a discount will be made on the final bill, as long as it is paid directly by the patient. (Does not apply to payments made for major medical insurance).
7. Consultations with specialists will be available at preferential costs, depending on the agreements that the Hospital has with specialists.
8. Assessments within our surrogate service of Aesthetic Medicine.
9. Preferential costs in valuations with plastic surgery.
10. Preferential cost on annual medical check-ups.
11. 40% in densitometry, prior agenda with the Commercial and Public Relations Department.

**Puerto Vallarta, Jalisco on \_\_\_\_ of the month of \_\_\_\_\_ of the year \_\_\_\_\_.**

Signature of conformity.
